## Guarantee Conditions

## **Guarantee Conditions**

### **30-Year Guarantee Against Fungal Attack.**

Against rot and fungal attack on all treated external timber components, visible signs of distress to the timber substrate beneath the decoration indicating an earlier period of lack of maintenance will invalidate this guarantee.

All cut or drilled timber is to be treated and re decorated in accordance with our Product Care & Maintenance Manual.

### **10 Year Guarantee Against Manufacturing Defects of Joinery**

On all products manufactured to our specification. This excludes redwood doors (except engineered timber), doors greater than 1000mm wide or 2150mm high, grain or colour matching of hardwood, resin exudation and extractive staining around knots, evidence of pin hole borer, stick marks, book matching to paint grade veneers, or joinery manufactured to purchasers own design or specification. We also cannot guarantee the operation of loose supplied items such as sashes or doors if they are not hung by our installation department. Joinery found not to have been cared for in accordance with our Product Care & Maintenance Manual will invalidate this guarantee.

### **10 Year Guarantee Against manufacturing defects of weatherseals.**

Over painted weather strips or weatherseals found not to have been cared for in accordance with our Product Care & Maintenance Manual will invalidate this guarantee.

### **10 Year Guarantee Against Manufacturing defects of Ironmongery.**

This only applies to Boyland Joinery Standard window and doorset ironmongery, or ironmongery specifically agreed in writing by ourselves. This guarantee covers the ironmongery only and not the fitting therefore, Boyland Joinery's liability will be limited to the cost of supply of replacement part only. Please note that the guarantee excludes Chrome or Gold colour plated ironmongery. Brass and/or ironmongery which exposure to salt is past that of the manufactures test data is not covered by this Guarantee. The colourfastness or surface finishes may be affected by environmental conditions, this will not result in any loss of performance or reliability, and is not included in this guarantee. Ironmongery found not to have been cared for in accordance with our Product Care & Maintenance Manual will invalidate this guarantee.

### **10 Year Guarantee Against Manufacturing Defects of Double Glazed units**

This only applies to factory-glazed twin sealed units with a minimum 12mm spacer, when glazed into fully factory paint/stain finished joinery.

The guarantee specifically excludes units displaying the optical phenomenon, occasionally seen as interference colour bands, known as 'Brewster's Fingers' and/or shadowing which occurs from the low e coating. Any defects including Scratches, blemishes or pimples will be accepted in accordance with the GGF/British Standard

for optical quality. Lime staining of glass and/or discolouration of lead and/or breakages of glass by others is not covered by their guarantee.

The use of strong solvents or cleaning products or visible signs of distress to the timber substrate beneath the decoration indicating an earlier period of lack of maintenance will invalidate this guarantee.

Boyland Joinery's liability will be limited to the cost of the supply of replacement unit only. Joinery found not to have been cared for in accordance with our Product care & Maintenance Manual will invalidate this guarantee.

### **10 Year Guarantee on Paint & 6 Year Guarantee on Stain against coating and system failure on Factory Applied finishes.**

The above guarantees are subject to location and climate conditions as set out in our Product Care & Maintenance Manual, and reflect the warranted lifespan on coatings provided the specified maintenance schedule is followed. No recoating will be required during this period provided the coating is not damaged (details are given below).

Guarantee covers the coating against.

Peeling

Cracking (over greater than 5% of the coated areas.)

Damage resulting from fungal growth within the coating.

Significant Yellowing of the coating.

Premature erosion of the film leading to areas of exposed timber.

### **It does not guarantee against.**

The exudation of resin.

Extractive staining around knots.

Failure of coating to cills or drips with a projection greater than 76mm.

Failure of Black pigmented or clear finish external coatings.

The light oak tinted Lacquer stain, has a 2 year guarantee.

Once the joinery is supplied, the main conditions for the warranty to remain valid are that;

The windows are installed in accordance with our Product Care & Maintenance Manual. No physical damage to the joinery or coating has occurred, such as chipping, staining etc. Should the coating become damaged when the joinery is installed the coating is promptly repaired in accordance with our remedial coating instructions.

The coating is cared for in such a way that it is not damaged by abrasion, for example, window cleaner's ladders.

The coating, and area surrounding the coating, is not cleaned with strong chemicals.

The coating is cleaned at specified intervals so that dirt retention does not lead to excessive mould growth. Such mould growth is more likely to occur on north facing elevations. Only coatings recommended by us are applied to the joinery.

The correct coating maintenance schedule is followed.

The site is not exposed to excessive industrial pollution.

Boyland Joinery's liability will be limited to the cost of supply of replacement paint/stain only.
